This is it. After 35 years doing what we do, we know a thing or two about what roofers are looking for. They want durability and reliability. A certain ease and definitely some style. Enter the tool of kings, the king of tools. There are many out there, but let's not kid ourselves...

This is the Best. Damn. Ripper.

- Lightweight and durable.
- Pries forwards and backwards for increased productivity.
- Centre wing at the base of the handle allows shingles to slide off effortlessly.
- Patented EZ-Gliders under the blade allow seamless gliding and increased leverage for prying nails, resulting in up to 75% less effort and more efficiency.
